Support

Let us help you solve it.

Beyond the resources available in the Self Service and Community Resources areas of this site, your primary source of support will be your institution's help desk. Please use the search box below to lookup information about your institution's help desk.

University

Get Support

If your Help Desk is found, verify that the link displayed when clicking on Get Support is valid.

If your Help Desk is missing or invalid, please follow these steps:

1. Log into Behind the Blackboard to update it by hovering over MY ACCOUNT in the upper right corner and choosing My Institution:

2. Click on the View/Update Your Institution Help Desk Information link to review your current information:

3. Click on Update Profile to update your Institution Help Desk link:

4. Click Save to be sure your changes are saved.
