**Product:** Blackboard Learn

**Release:** SaaS

**Service Pack(s):** SaaS

**Description:** As a Student you can upload a 0 byte file or submit an empty Assignment, a warning should appear if the file is empty or if the Student has not uploaded a file and left the content editor blank.

### Steps to Replicate:

1. Login to Blackboard Learn
2. Access an Ultra Course
3. Create an Assignment - allowing multiple submissions
4. Log in as a Student enrolled in the Course
5. Access the Course and submit the Assignment without adding any content/files
6. Observed that the Assignment submission is successful
7. Resubmit the Assignment and upload a 0 byte file

### Observed Behavior:

Both submissions are accepted and the Assignment is submitted

### Expected Behavior:

A warning should appear letting the user know no data was supplied for the assignment submission

**Target Release:** Will Not Fix

**Patch Available:** No
