Bulletin/Advisory Information: NBC Learn has made the difficult decision to discontinue their solution offering and targeting platform to move offline effective June 30, 2020. Please visit www.nbclearn.com or email contactus@nbclearn.com for further information.

Blackboard Learn clients who are actively using the NBC Learn Building Block should plan accordingly. All clients should de-activate or remove the NBC Learn Building Block from your environment(s). If the tool contains data you may need to retain for data retention purposes, you should set the B2 to *inactive*. If you know you no longer have any need for the B2, it can be removed.
