Release: 9.1;SaaS

Service Pack(s): Learn 9.1 3900.82.0, Learn 9.1 3900.84.0, Learn 9.1 3900.86.0, Learn 9.1 3900.89.0, Learn 9.1 3900.91.0, SaaS

Description: Instructors who are trying to Post Announcements are receiving duplicate emails when they are selecting the option to send immediately.

Steps to Replicate:

1. Log into **Blackboard Learn** as an **Administrator**
2. Access an Original course
3. Create an announcement and
4. Select the Email box and select Send

Observed Behavior: Observe in Microsoft Outlook that a duplicate announcement is received.

Expected Behavior: No duplicate emails.

Target Release: Future Reference
