Product: Blackboard Learn

Release: SaaS

Service Pack(s): Ultra

Description: When Using the Google Chrome Browser in Ultra Courses the Input Area of the Discussion Board Does not Expand.

Steps to Replicate: Prerequisite: Use the Google Chrome Browser.

1. Log into **Blackboard Learn Ultra Experience** as an administrator
2. Go to the **Admin Panel** > **Course** > Create a new Ultra course
3. Access the course and create a new Discussion Board
4. As the instructor, post multiple times within the Discussion
5. Click on the Student Preview to access as a student and reply to the multiple discussions
6. Click on the 'Type a response' area on the first post

Observed Behavior:
The input area cannot be opened, therefore, the user cannot type.

Expected Behavior:
The input area opens while adding a response within the Discussion board.
