Time Zone and Daylight Savings Time in Chile Causes Date Repetition in the Ultra Calendar

Date Published: Apr 24,2024 **Category:** Planned_First_Fix_Release:Future_Reference_Learn; Product:Language_Packs_Learn; Version:Ultra **Article No.:** 000078604

Product: Blackboard Learn

Release: SaaS

Service Pack(s): Ultra

Description: Users observe repeating dates in the Ultra Calendar when their operating system time zone is set to -4:00 Santiago and their Learn profile is configured to use the Spanish Language Pack.

Steps to Replicate: Prerequisite: The Operating System Time Zone must be set to UTC-4:00 (Santiago)

1. Log into **Blackboard Learn Ultra Experience** as an administrator
2. Navigate to the user profile and set the language to *Español (España)*
3. Select Administrator and navigate to Courses to search for an Ultra course
4. Create an assignment and modify the due date
5. Navigate to a month of any year (for instance, September)

Observed Behavior:

For the first weekend of September 2024 the dates on Saturday 7th and Sunday 8th are both presented as the 7th of September.

Expected Behavior:

Dates on the calendar are presented correctly.

Target Release: Future Reference
