

## **Connect Delay in UI "Quick Stats"**

**Date Published:** Feb 17,2023 **Category:** Product:Connect; Version:Connect **Article No.:** 000077377

**Product:** Blackboard Connect

### **Information:**

We will experience a delay on the Connect user interface "Quick Stats" display starting February 18th. Quick stats will display out of date reports. The information will be from 2/16/2023. This should be corrected on February 21st.
