Description: When a due date is added to an Assignment after a Student has completed it, the Student receives a past due notification in the To Do Module.

Steps to Replicate:

1. Log into Blackboard Learn as a System Administrator
2. Go to *System Admin > Courses*
3. Create a new Course
4. In the new Course, create an Assignment without a Due Date
5. Enroll a Student in the Course
6. Log in as the Student and complete the Assignment
7. Log back in as Instructor and add a Due Date to the Assignment
8. Wait for the Due Date to pass

Expected Behavior:
No notification appears in To Do Module

Observed Behavior:
Notification shows in To Do Module under Past Due
