Product: Blackboard Learn
Release: 9.1
Service Pack(s): Learn 9.1 Q2 2018 (3400.0.0)
Description: Users are Unable to reorder Assignment content items.

Steps to Replicate:

1. Login as Administrator > System Admin
2. Courses > Create Course > Course ID: test course01
3. Enter Course ID: test course01 > Content
4. Assessments > Assignment
5. Created "assignment_1" - "assignment_5"
6. Reorder Assignments 4,5,2,3,1
7. Refresh page

Expected Behavior:
To stay in rearranged order of 4,5,2,3,1

Observed Behavior:
Reverted to original order of 2,1,3,5

Resolution/Workaround: This issue is caused by null position numbers. You can often resolve it yourself by doing one of the following:

- Use the Keyboard Reordering button in the upper-right side of the page
- Click the Chevron of one item > click "move" > move to another content area > then move it back

If these steps do not work then please contact Blackboard Technical Support
