Service Pack(s): Learn 9.1 Q2 2017 (3200.0.0), Learn 9.1 Q4 2017 (3300.0.0), Learn 9.1 Q2 2018 (3400.0.0), Learn 9.1 Q4 2018 (3500.0.0), SaaS

Issue Description: When you click on a Content area and then add a Tool Link the tools are listed twice. The issue doesn't happen from the Course Home Page.

Steps to Replicate:

1. Logon **Blackboard Learn**
2. Go to a **Course**
3. Stay on Home Page **Content Area**
4. Add a **Tool link** and check the type of tools available
5. Now go to another Content area in the Course
6. Add a Tool link and check the type of tools available

Expected Behavior:

Tools are displayed correctly as a single list of items

Observed Behavior:

Tool menu items are shown as duplicates (List items are duplicated after last entry)

Target Release: Learn 9.1 Q2 2019 Release
