Product: Blackboard Learn

Release: 9.1;SaaS

Service Pack(s): Learn 9.1 Q4 2017 (3300.0.0), Learn 9.1 Q2 2018 (3400.0.0), Learn 9.1 Q4 2018 (3500.0.0), Learn 9.1 Q2 2019 (3700.0.0), SaaS

Issue Description: The Users API exposes User attributes for authenticated non-privileged Users such as Students.

Steps to Replicate:

1. Log into Blackboard Learn as a Student
2. Access the Users API
 1. *.../learn/api/public/v1/users*

Expected Behavior:

User information is not listed

Observed Behavior:

User information is listed

Target Release: Functioning as Designed

Patch Available: No
