Issue Description: New Box View preview for a submission to an Assignment presenting issues for Users.

Steps to Replicate:

1. Log into Blackboard Learn
2. Navigate to System Admin tab > Courses (under Courses)
3. Search by Course_ID
4. Enter any Course
5. Grade Center
6. Enter New Box View preview for a submission to an Assignment
7. Attempt to use the Tab on the keyboard to navigate

Expected Behavior:

The Tab use is easy to navigate

Observed Behavior:

The Tab order is not in an order that is easy to follow. Also it is difficult to see which item is active at that time
