**Issue Description:** Icons are used to identify the characteristics of various elements (e.g., assignment, test, web link). These items have no alt text and blind or low vision students are at a disadvantage because the information provided by the icons is not available.

### Steps to Replicate:

1. Enter a course
2. Click on Build Content and pick an option to create
3. Create the new piece of content
4. See the appropriate icon on the screen

### Expected Behavior:

View source on the page to see alt text is used on the icons.

### Observed Behavior:

View source on the page to see alt text is not used on the icons.
