Upcoming Workshop: Ultra Base Navigation

Date Published: Nov 19,2020 **Category:** Product:Learn_BU; Version:Learn_BU **Article No.:** 000075022

Product: Blackboard Learn

Information:

Planning your move to the Ultra Base Navigation?

Enabling Ultra Base Navigation requires thoughtful planning. This 90-minute workshop designed for IT Professionals, System Administrators, and Academic Technologists, will provide valuable information and resources to ensure a smooth and easy transition:

- Explore what you should consider when adopting Ultra Base Navigation
- Review in detail key documentation such as the “Ultra Base Navigation Checklist” and the “10 Things to Try in Ultra Base Navigation”
- Review a sample timeline
- Learn more about resources you can leverage to effectively communicate the changes to your end-users

Following the workshop, you can take advantage of the Ultra Base Navigation Lab hours. In this 30-minute open session, you can ask questions to Blackboard experts and get guidance related to your individual needs.

Next Workshop:

- Dec. 2 - 11:00AM - 12:30PM ET

Next Lab Hours:

- Dec. 2 - 12:30PM - 1:00PM ET
