Group's Name not Updating When Navigating to Next Attempt in Group Assignment

Date Published: Aug 26,2023 **Category:** Planned_First_Fix_Release:SaaS_v3900_76_0; Product:Learn; Version:Ultra **Article No.:** 000077695

Product: Blackboard Learn

Release: SaaS

Service Pack(s): Ultra

Description: In Ultra, when clicking on the next/previous attempt in a group assignment, the group's name does not change, but it retains the name of the previous group.

Steps to Replicate:

1. Log into **Blackboard Learn Ultra Experience** as an administrator
2. Navigate to **System Admin > Courses**
3. Create an Ultra course through the option Create Course > New (or open an existing course)
4. Enroll some students into the course
5. Create 3 or more groups in the course
6. Create a group assignment and assign the groups created above
7. Use one student in each group to submit work in the group assignment
8. Go to the Gradebook and open the assignment
9. Navigate to the next/previous attempt using the right/left navigation arrows
10. Look at the Group's name under the Feedback section on the right-hand side of the page

Observed Behavior:

When attempting to navigate to another group using the arrows on the top bar, the name of the group is not updated; it keeps the name of the previous group.

Expected Behavior:

The group name should be updated everywhere on the page, including the feedback section, when switching to another attempt using the navigation arrows.

Target Release: SaaS-Fixed (v3900.76.0)
