Description: In Original View courses, when a Wiki is created its title overlaps with the Wiki page name in the Grading Panel if the name is lengthy.

Steps to Replicate:

1. Log into **Blackboard Learn** as an administrator
2. In Original View, create a course Wikitest
3. Access the course > **Course Management** > **Course Tools** > **Wikis**
4. Click on 'Create Wiki'
5. Add a long name like Week 12: Assignments for reading, writing and creating wiki pages in Blackboard
6. Open the wiki created and add a new page

Observed Behavior:
The Wiki title is overlapped with the page name.

Expected Behavior:
The Wiki title does not overlap with the page name.
