

Blackboard

Assignment's Exception Due Date is not Shown Until the Release Condition Time is Met

Date Published: Jan 10,2023 **Category:** Planned_First_Fix_Release:SaaS_v3900_58_0; Product:Learn_BU; Version:Ultra **Article No.:** 000076926

Product: Blackboard Learn

Release: SaaS

Service Pack(s): Ultra

Description: In Ultra View, when an exception due date is set with a release condition, the default due date keeps showing until the release time is met.

Steps to Replicate:

1. Log into **Blackboard Learn Ultra Experience** as an administrator
2. Create and access a course > Create an assignment with a due date in the future
3. Create a student user > Enroll this user in the course created in step 2
4. Edit the assignment created in step 2 > Add an exception due date for the student created in step 3
5. Set a release condition to the assignment created in step 2 to be shown in 10 minutes
6. Log in as the student > Access the course created in step 2, and go to the assignment under **Content Area**

Observed Behavior:

The assignment has the default due date set in step 2.

Expected Behavior: The assignment has the exception due date set in step 4.

7. Wait for the 10 minutes (release condition set in step 5) to pass

Observed Behavior: The assignment has the exception due date set in step 4.

Target Release: SaaS-Fixed (v3900.58.0)
